- **Processor** : Intel Celeron 300A MHZ (128k 1st Level cache), 850Mhz, 1.2GHz
- **Front Side Bus Speed** : 66Mhz
- **RAM Memory** : 64MB to 256MB
- **Hard Disk Drive** : 10GB to 200GB

I/O INTERFACES

- 3 USB Ports - 12MBPS
- Phone Line Connector : RJ11
- Ethernet Connector : RJ45
- Earphone Connector
- Status LEDs
- Keyboard with integrated Touchpad

ALL IN ONE

- Most Components are Integrated
- No External Monitor, CPU Towers, Speakers
- Mini Keyboard with Touch can be placed under the Box

Excellent To Use For

- Education
- Basic Office Package (MS Office, Open Office or Star Office)
- Emails, Chats and Web Surfing
- Data Downloads, Accounts
- Communication via VoIP

UPGRADE Options

- Celeron 700MHz
- TV Tunner Card
- 4xUSB 2.0
- 1xSerial Port
- 1xLine In Jack
- CD-R/CD-RW/Combo/DVD±RW
- Normal USB Keyboard/Mouse

AUDIO

- 2 JBL Integrated High Quality Amplified 5W stereo speakers
- Response Freq.: 40Hz -20KHz
- Sampling Freq.: 48KHz
- Integrated Microphone
- Supports Direct Sound & Direct Sound 3D
- AC 97' Compliant

VIDEO

- Video Card : Intel (R) 82810
- 14" Monitor
- Resolution : 1024 x 768

MODEM

- 56kbps Internal Modem
- Terminated V90

ETHERNET

- 10/100 mbps speed
- Intel(R) 82559

Power Supply

- Voltage 200V-240V AC
- Frequency : 50/60Hz
- 105W Power-On & 30W Standby
